Eligibility for Kindergarten Fee Subsidy

Leave blank if the child does not meet any of the criteria for a kindergarten fee subsidy.

Services should ensure that the relevant concession card, visa, travel document or letter of visa status has been sighted and that any expiry date has been recorded if it falls within the current term. Please note that multiple options can be selected, however a child can only receive one subsidy regardless of how many criteria the child meets.

Should the child or family have a humanitarian or refugee visa listed by the Department of Immigration and Border Protection which is not included below, please contact your local Department of Education and Early Childhood Development regional office as the child may be eligible for kindergarten fee subsidy.

Note: Children who have Approved Child Care Benefit applied to the kindergarten program fee are not eligible for the kindergarten fee subsidy. Do not answer the question if that is the case. For more information about applying the kindergarten fee subsidy in long day care services see the Kindergarten Guide.
