

Menzies Creek Primary School

Student Dress Code

Rationale:

A uniform dress code reinforces in students a pride in their own appearance and instils recognition of themselves as an integral part of the school community. Issues of equality, health and safety, and expense are factors that contribute to the establishment of the dress code.

Aims:

- To promote equality amongst all students.
- To foster a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To assist in maintenance of recognition and safety outside the school environment.

Implementation:

- After consultation with the school community, School Council has developed a dress code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, is high quality and durable, and caters for the financial constraints of families.
- The dress code applies during school hours, while travelling to and from school, and when students are on school excursions.
- For safety reasons, stud earrings and sleepers worn in the ears (no large earrings) plus watches are the only acceptable jewellery, as are items with religious or cultural significance.
- Cosmetics are not be worn at school.
- The only sun protection headwear that is acceptable is Sunsmart hats, consistent with our school's Sunsmart policy. They must be worn outside the classroom whenever the UV rating is 3 or more. Hats are not to be worn inside. Hat cords must have a safety clip to prevent a choking hazard. Hats to be worn in Terms 1 and 4.
- The student dress code, including details of uniform items and uniform shop hours, will be published regularly in the newsletter.
- School Council requires the Principal be responsible for implementation of the dress code in a manner consistent with the Student Engagement Policy.
- For safety reasons, and to ensure that students can actively participate in all school activities, only closed toe footwear may be worn.
- Arrangements can be made to supply uniforms via State Schools Relief for families experiencing economic hardship.
- Parents seeking exemptions to the dress code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the School Principal for consideration.
- Second hand items of uniform, depending on availability, will be for sale for an agreed amount.
